6 Coffee Table Books That Inspire Wanderlust

Jordi Lippe-McGraw Contributor 

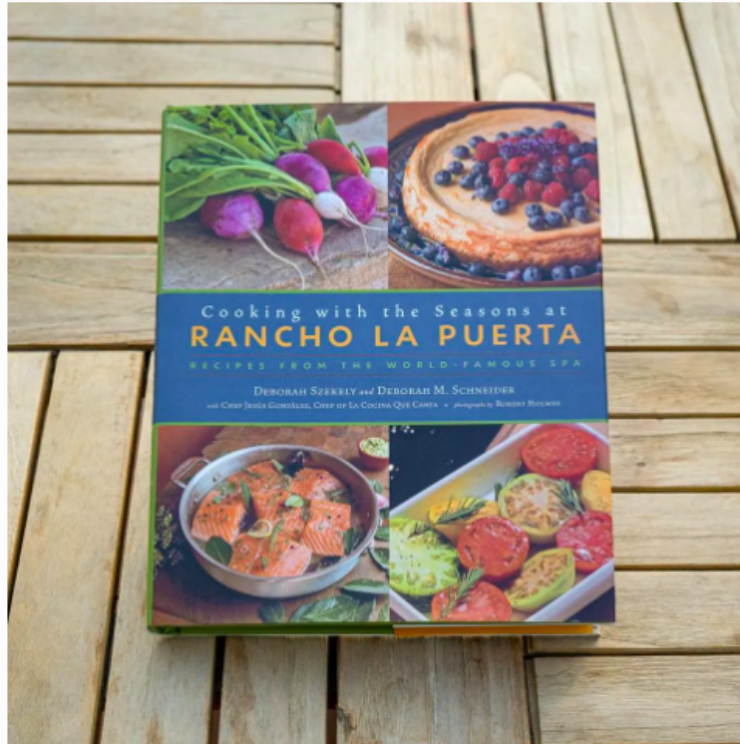

Sharing inspiring and practical stories from around the world.

Get lost in these books until your next getaway. GETTY

When summer fades, and fall's cool winds roll in, we often daydream about our past sun-filled adventures. Although colder weather might discourage travel, books can take us anywhere. Coffee table books, filled with stunning images and engaging stories, can transport us globally without leaving our couch. Here's a list of striking coffee table books to fuel your travel bug during colder seasons.

“Cooking with the Seasons at Rancho La Puerta” About Tecate, Mexico

Get a taste of the famous spa. [AMAZON](#)

Close to San Diego is a retreat where passions come alive. This [cookbook from Rancho La Puerta](#) dives into its six-acre organic garden and interactive cooking sessions. It's not just about recipes but an exploration of Mexican cuisine, enriched with stories from The Ranch and its commitment to fresh, regional produce.
